Heavy Fine.

In the Corporation Court yesterday evening the jury in the case of Richard C. Barnett, who had been indicted for selling liquor without a license, brought in a verdict of guilty and fixed the fine at \$300. Judge Bailey also imposed a jail imprisonment of twelve months.

The jury was composed of Messrs. D. W. Atcheson, C. J. Greisdorf, J. S. Grimes, W. P. Henshaw, J. G. Cockey, J. C. Perry and R. M. Wattles. State's Attorney Brent conducted the prosecution and Barnett was represented by Attorneys Machen and Moncre. Barnett's wife, who was indicted with him jointly, was, on the request of the prosecuting attorney, dismissed. Motions to set aside the verdict as contrary to the law and evidence and for a new trial were overruled, but a stay of execution for thirty days was granted and Barnett, after remaining in custody all night, was released on bond in the sum of \$3,000, his mother and Mr. William Rogers becoming his sureties today. During the trial it was shown that the testimony of one of the witnesses for the prosecution varied decidedly from that which he had given before the grand jury on Thursday night, and it is said that the Commonwealth's Attorney will take proper steps in the matter.

Double Track in Use.

The new double track of the Washington, Alexandria and Mt. Vernon Railway has been completed and is now in use from Spring Park to Four Mile Run, and only about a quarter of a mile of track remains to be built across the run to connect with the double track from the power house to Arlington Junction.

The completion of the new track does away with many vexatious delays caused by meeting trains, the cars lying on sidings often as long as ten or fifteen minutes, and the railway company will now be able to maintain a regular schedule. Work has been started on the double track across Four Mile Run where considerable pile work will have to be used in crossing the swamp.

Police Court.

[Justice H. B. Caton presiding.]

The following cases were disposed of this morning:

Mary Nicholson, arrested by Officer Sherwood charged with selling cocaine, was dismissed for want of evidence.

A white man, arrested by Officer Roberts charged with obtaining money under false pretenses, was fined \$10.

John Dogan, colored, arrested by Officers Mayhugh and Nicholson charged with assaulting and beating Hattie Conway, was fined \$20.

Margaret Witte, arrested by Officer Roberts charged with disorderly conduct toward Ollie Simpson, was fined \$2.50.

River Notes.

The new tug Edward G. Gummel yesterday left the works of the James Clark Company, Baltimore, where her machinery was built and installed. She goes direct to Washington, where she is owned by the Columbia Towing Company. She will be put on the Potomac river. The hull is 75 feet long, 18 feet 5 inches beam and 3½ feet deep.

The mammoth steam transport Caesar, which had been lying in the river opposite the shipyard, left yesterday, having aboard a number of instruments and other paraphernalia, which will be used by Rear Admiral Colby M. Chester and observation party which will go to Africa for the purpose of witnessing the solar eclipse of August 29-30 next. The Caesar will accompany the party as supply ship. The Caesar was formerly an English steamer, and was purchased by the United States during the Spanish war.

The steamer Dennis Simmons, from Williamson, N. C., with lumber to Smoot & Co. and H. K. Field & Co., has arrived.

Mr. Norman H. Moore has sold the steam yacht India to parties in Washington, and Mr. James Beach has disposed of the steam yacht Beach to a resident of the same city.

The schooner Jos. E. Ray, which recently discharged a cargo of fertilizer at W. A. Smoot & Co.'s wharf for the Alexandria Fertilizer and Chemical Company, has sailed for Georgetown where she will load coal for a northern port.

The schooner Winfield Scott Schuster, which also brought fertilizer to the same company, has sailed for Newport News where she will load coal for a northern port.

Lawn Fete.

Monday evening, June 19th, a garden party for the benefit of St. Mary's Academy will open on the academy grounds and continue for four nights.

It will be in charge of a bevy of beautiful young ladies which is sufficient guarantee for its success. They will dispense not only the customary good things, such as ice cream and cake, sandwiches and coffee, lemonade and light drinks, but they have also many other delightful surprises for the public which will make the garden party well worth attending. Chief among the new and attractive features will be a baby show by several young men, that for variety and fund of amusement cannot be surpassed.

It alone would be sufficient to induce all to attend. Another prominent feature will be the presence of St. Mary's real living and kicking mule, "Maud," who comes all the way from Washington to grace the lawn fete and to dispense gifts to the Alexandrians. There will also be an orange grove, fancy work table, prize boxes, fish ponds, and many other things to amuse. Don't miss it! It will be well worth attending, if only to get a smile and a hearty welcome from the presiding beauties.

Musical Recital.

A musical recital was given at the Opera House last night by the pupils of Miss Devitt's class. The well arranged program was excellently rendered before a large and appreciative audience.

The young ladies who took part in the programme were: Misses M. Milstead, E. Fields, N. Robey, L. Lyles, E. Fogg, M. Glover, L. Meyers, N. Hinken, B. Peake, L. Scott, V. Proctor, I. Creagan, A. Killerman, L. Sullivan, H. Mason, N. Grimes, L. Langford, L. Rauch, E. McCuen, N. Pullman, A. Apple, Z. Smith, E. Dean, R. Peake, L. Baggett, M. McLearen, H. Heishley, A. Baader, M. Finks, K. Eaton, E. Kidwell, M. Simpson, R. Proctor, Masters E. Scott and W. Killerman. The first premiums were awarded to Misses M. Milstead and E. Fields; second premiums to Miss N. Robey, L. Lyles, A. Killerman, B. Peake, R. Proctor and L. Meyers.

Broke Away From Officers.

Some excitement was caused on Fairfax street, near King, between four and five o'clock yesterday evening by John Dogan, colored, who broke away from Officers Mayhugh and Nicholson while on the way to the station house. The fugitive who had been arrested for assaulting Hattie Conway, ran in an easterly direction with the policemen following closely in his path, a large crowd following. Officer Mayhugh soon outran Dogan and he and Officer Nicholson placed him in a cell in the station house. The prisoner was brought before Justice Caton this morning when the evidence showed that the assault by Dogan upon the woman was of a brutal nature. He was fined \$20.

A Sad Mistake.

A naphtha launch left Washington late yesterday evening for Marshall Hall. The boat contained a small party of excursionists and was in charge of the owner who had arrayed himself in a sailor's suit of immaculate white. Upon reaching their objective point the amateur skipper was arrested by soldiers from one of the forts in the neighborhood on suspicion of being a deserter from the United States navy. The soldiers, it is said, refused to listen to any explanation and conducted their prisoner away without ceremony. It could not be learned how the affair ended.

Another Engagement.

Cannonading was heard again last night in the vicinity of Fort Hunt and Washington. It is supposed that another engagement took place between the forts and a "hostile" fleet, but it has been impossible to ascertain how many ironclads were sunk or the amount of damage sustained by the fortifications. As was the case on other occasions, many people hid themselves to the eminences in the southeastern section of the city when the booming of the cannon was heard.

Railroad Accidents.

As was stated in the Gazette, the Southern Railway express No. 40 yesterday morning was derailed near Charlotte, N. C., Thursday night. Engineer Charles Canble was seriously injured and Fireman Robt. Witherspoon, colored, is missing. No passengers were killed or severely injured. Local traffic was still further delayed by a freight wreck near Somerset, Va. The freight cars were thrown from the track, but it is said that nobody was injured.

Excursion.

The Alexandria Trades Council will give their first annual excursion to River View next Tuesday. Two trips will be made during the day and one in the evening at 7:15 o'clock. Every arrangement will be made by the committee to insure all who patronize the excursion a pleasant time.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by Gibson & Timberman and W. F.
